Grade 8 MDI Self Reporting Questionnaire

Richmond School District 38 has partnered with the Human Early Learning Partnership (HELP) at UBC to invite students to take part in completing the Middle Years Development Instrument (MDI). The MDI is a self-report questionnaire that asks children in Grade 8 about their thoughts, feelings, and experiences in school and in the community. The survey questions align with the BC Ministry of Education's K-12 curriculum which includes a focus on promoting children's personal and social competencies.

The questionnaire will be administered between January 10th and March 3rd, 2023 during the school day. Parents are asked to return the form emailed to them if they **DO NOT** want their child to take part in this.
