April 25, 2024

Dear Parents and Guardians,

We are planning a Grade 7 Orientation for our incoming Grade 8 students on Tuesday, May 21<sup>st</sup> from 9:30am - 11:30am.

We are hoping your child will be able to attend this event as this is an important part of the transition to high school. Our Leadership students are working together to arrange a morning of engaging activities for the group. Students will be able to take a tour of the school, play games in the gym, and meet other grade 7 students. A pizza lunch will be provided, please make sure to bring a water bottle.

Students from our three feeder schools (DeBeck, Garden City and General Currie Elementary schools) will walk to Palmer and back with their teachers. For those of you with children attending other schools, we ask that you arrange transportation for your child to and from Palmer that morning. They can be dropped off at the front entrance of the school sometime between 9:15am and 9:30am and picked up at 11:30am.

Please also find attached information and a registration form for Summer Connections 2024.

We are looking forward to welcoming you to RC Palmer Secondary!

Sincerely,

Palmer Grade 7 Transition Team
