Generations Homework Club

Seeking volunteer Tutor-Mentors to work
with elementary students (Grades 4-7)

Generations Homework Club is hosted by Richmond Youth Service Agency, a registered charity that has provided support services for children, youth and families in Richmond, BC for 40+ years.

GHC's goal is to help elementary students, especially those who are at-risk and need additional support and mentorship. This program provides students with guidance to improve homework completion, build self confidence, improve social skills and foster an overall positive attitude towards school. GHC is currently held on **Mondays (Brighthouse library)**, and **Tuesdays (Hugh Boyd Secondary)**. Volunteers must have completed Grade 8 or higher and can be current high school or university students, graduates, or community professionals.
