

INFORMATION ON DRY GRAD EVENT

- WHO:** Organized and supervised by the Dry Grad Parent Committee to celebrate all the hard work of the Grade 12 students
- WHAT:** An alcohol, smoke and drug-free (“dry”) after-graduation party immediately following the formal dinner and dance
- WHEN:** Friday, June 26, 2020
- WHERE:** Palmer Secondary’s gym
- WHY:** A safe, fun dry grad party is a tradition that we believe the graduating students deserve and is celebrated across Canada with success
- HOW:**
- Coach transportation is provided to the students from the venue in downtown Vancouver back to the school for an amazing after-grad party
 - The gym is transformed into the theme of the party filled with exciting activities, lively entertainment, valuable prizes and delicious refreshments throughout the evening and early morning
 - The funding is partially paid for by the grads through their ticket purchases and the remainder is covered by the Committee through various fundraising and donations from individuals and local businesses
 - While the event is most important to Grade 12 parents, the Committee is open to all as we need the parents of younger students to participate and ensure the Dry Grad event will be sustained in the years ahead
