### High Danger Drill

Our final High Danger drill for the year will be during reading on Thursday. We will be practicing for a Lockdown only during this drill.

### A Reminder of Pedestrian Safety

Parents are asked to talk to their kids to remind them of the importance of keeping aware of their surroundings while walking, especially in bad weather and at night. Recently there have been a number of pedestrians injured or killed by vehicles.

Young people should:

- be aware that wearing headphones seriously limits your ability to hear approaching vehicles
- know that when you are wearing dark colours it is very difficult for driver's to see you clearly from a safe stopping distance (dark coloured umbrellas are also hard to see)
- be sure to look to see what the traffic is doing while you prepare to cross at intersections, even if the pedestrian light gives you the right of way
- be aware of your surroundings
