GRADE 11's:

If you are considering studying in the USA for your post-secondary education, now is the time to check with the schools you are considering to see if you need to register for and write your SAT or ACT exams, so that you are ready with your exam results, to apply for American schools in the early fall. <https://www.collegeboard.org/>

* Note - that due to the pandemic, some schools have waived the necessity for the exams so be sure to check with the schools you are considering.

*Grade 11 students should be doing their research for post-secondary applications when they open this fall.

GRADE 12's:

Student Transcripts Service (STS)

The STS is an online application for students to view their marks, scholarships and transcripts, and send transcripts to post-secondary institutions and third parties. To access the service, visit the Ministry of Education's *Order Transcripts and Certificates* website at <https://www2.gov.bc.ca/gov/content/education-training/k-12/support/transcripts-and-certificates>

Follow the instructions found there.

Offers of Admission: Grade 12 students who have applied to a university/college for entry in September are reminded to regularly check the institution's secured student service (student account) website/portal for new messages. Many sites require students to use the Identification Number that was noted on their confirmation letter along with a password. These sites contain important details regarding: transcript submission, self-reporting, admission offers, course pre-requisites, registration, deadline dates, contact information, grades, etc.
