School Consent Forms – Please Return to the Office As Soon As Possible

Students have received a YELLOW Technology Use/Communications Consent Form and a BLUE Student Medical Information Verification Form. It is very important that this information be kept up to date and accurate in case of an emergency. If any of the information on the form is incorrect, please make the necessary changes right on the form. These forms need to be signed and returned to the Block A teacher or to the office.

Personal Learning Time – Wednesday and Thursday – starting on Wednesday September 13th and Thursday September 14th

Teachers, departments, and administration have designed a [Personalized Learning time](#) schedule. During PLT time, the school is open to all students, and teachers are onsite. Students will have access to teachers and departments, and a place/space to engage in their learning individually or collaboratively.

Students can sign up at this PLT [link](#). The user ID is the student number and the password is the initials of the student's usual first name and last name (upper case) followed by the student number.
