Extended Spring Break

Are you wondering if it is a good idea to take a vacation around Spring Break? It is NOT advisable to take extended vacations around these school breaks. It is difficult for students to make up missed assignments and most times teachers are not able to provide instruction for students to take and work on during their absence.

Personal Learning Time – Wednesday and Thursday

During PLT time, the school is open to all students, and teachers are onsite. Students will have access to teachers and departments, and a place/space to engage in their learning individually or collaboratively.
