Beginning in the 2025–2026 school year, all secondary schools in the Richmond School District will move PLT to the second period of the day. This adjustment will better support students in accessing the learning opportunities available during PLT. In addition, the amount of time allocated to PLT will be standardized across all secondary schools. These changes will promote greater consistency, equity, and alignment with expectations for instructional time under the BC School Act. For more information, please see our [website](#).
