

PALMER SECONDARY SCHOOL
EXTRACURRICULAR CLUBS 2025-2026

Club/Activity	Description	Sponsor(s)	Room
3D Printing Club	We will learn 3D modeling and printing, share skills and work together on creative projects. Our goal is to explore how 3D printing can be applied in both practical and fun ways.	Mr. Cumming	Room 141
Adopt Our Community	Aiming to improve or better local communities by engaging acts of service or volunteering to improve daily life, no matter how impactful. This can be from tackling student procrastination by using consistency and accountability strategies and accountability board to foster a school culture of sharing our responsibilities together. Also, through spreading messages of positivity, cleaning up our community of trash and connecting our community together. Planting a good foundation of roots for our local.	Ms.Vining Ms.Luccock	Room 201
Anime and Japanese Culture Club	Our goal is to create a friendly, engaging, and positive environment for Anime / Japanese culture fans within the Palmer community to meet with each other, build friendships, and share their interests. We hold a variety of events regularly, events include: anime sharing, cool facts sharing on Japanese culture, and making Japanese-style food. For more information, follow our Instagram account “@rcp.anime.club”.	Mr. Rikukawa	Room 203
AOOC Palmer (Art of Our Community)	Enhance unique characteristics of communities in Vancouver through the use of one displayed to the public.	Mr. Rikukawa	Room 203
Asian Culture Club	Our goal is the expose students to diverse Asian cultures by hosting fundraisers, food-making events and celebrating holidays. Our club allows the school community to share and explore their Asian traditions while also eating hearty, heritage-based cuisines! We will host events at least once each month to fundraise and give students an opportunity to volunteer. Everyone is welcome to join and meet new people. Movie events will also be held, giving people a chance to learn Asian languages, traditions and storytelling.	Ms. Liang	Room 119
Ayumi Dessert Club	Workshops to make desserts, and selling desserts made in workshops to fundraise money for the foodbank.	Ms. Liang	Room 119
Breakfast Club	Breakfast Club operates on a daily basis to provide free breakfast to any student who wants it.	Ms. Epp	Palmer Central
Canto Club	We aim to spread awareness, understanding, and appreciation of Cantonese culture. We strive to create a sense of community for Cantonese and non-Cantonese speakers while allowing exchange between cultures. We will be hosting weekly mahjong sessions. During major cultural festivals we offer calligraphy sessions and Cantonese movie session.	Mr. Kwan (OG)	Room 206
Case Competition Club	We will be hosting a variety of workshops covering different sectors of business, including accounting, finance and entrepreneurship. Most importantly, we aim to equip students essential skills to not only succeed in case competition, but also the rapidly shifting business environment.	Ms. Luccock	Room 201
Chess Club	R.C. Palmer’s Chess Club is a welcoming community where chess enthusiasts of all levels can learn, play, and mingle. As a club that has thrived for many years, we aim to create a space where students can practice and perfect their chess skills in a variety of engaging activities, including lessons, free play, tournaments and more.	Mr. Amega	Room 122
Christian Club	Connecting Christian students and anyone who wants to learn more about Christianity. Students from all cultural and religious backgrounds are welcome to join is as we discuss Christianity and related topics in a safe and inclusive space :)	Mr. Shim	Room 106
Club Français	Club Français is open to anyone – whether they’re fluent, willing to improve on their French skills, or simply curious about Francophone culture, this club is the place to explore. Our meetings are every Friday lunch, packed with exciting games, topics, events and more.	Mr. Amega	Room 122
Computer Club	Welcome to the Palmer Computer Club! You are all welcomed here no matter your skill level. You are all welcome here no matter your skill level. We tend to create a supportive community and learning environment for everyone. All students are very welcome to our community section where you can bring your friends and discuss any study related topic or do your work together. For those interested in taking the AP Computer Science A test, we provide full support and will prepare you for the test. We will provide not only lesson but also practice exam for you.	Mr. Rikukawa Ms. J. Chen	Room 136/203
Craft 4 Cause	Creating crafts that benefit local charities, organizations, and those in need. Giving back to the community while expressing creativity.	Ms. Vining	Room 123
Dance Squad	A welcoming community for all students to learn, grow and connect through dance, with a strong emphasis on street dance styles. The dance squad provides a supportive environment that also challenges students to push themselves, build confidence and strive for growth. The team will showcase their talent at school events and local dance competitions, including Palmer’s own Footloose Hip Hop Dance Competition.	Mr. Paldo	Lounge (practices) Room 120 (meetings)
Debate Club	Debate Club focuses on practicing debate skills, such as rebuttal, constructive arguments, public speaking, and more. We would have debate games and mini club debates with proposition and opposition sides on casual topics (no political topics will be debated on). We will also prepare for debate competitions.	Mr. Li	Room 117
Drama Club	Drama Club focuses on developing skills such as expression, improvisation, and confidence through fun games and activities. We prepare scrips and rehearse for the Remembrance Day assembly, breakfast with Santa, spotlight on Palmer. In addition, we host our annual Variety Night show at the end of the year.	Ms. Komad	Room 137 (Drama Room)
EcoTeam	EcoTeam aims to promote environmental sustainability through providing volunteer opportunities in the community, educational school events, and club activities. Some of the events and activities include bottle drives, newspaper present wrapping, park cleanups and more.	Ms. MacDonald	Room 133
Engineering Club	The purpose of our club is to educate and introduce engineering to high school students. We plan to inspire through fun activities, organizing guest speaker sessions, going over useful application tips, and creating a mentorship program. This program will pair interested students with experienced Engineers, providing more opportunities to explore	Mr. Kwan (OG)	Room 206

	engineering fields (mechanical, civil, electrical, etc.) to spark interest in future careers in Engineering.		
Garden Club	To beautify the grounds of the school, grow healthy food and support development of hobbies to support our health.	Ms. Epp	Room 121
Global Affairs/ Economics Club	To help students in the Palmer community understand more about Global economics and the things happening around the world.	Ms. Vrain	Room 204
Global Network Club	Organize impactful events, fostering a culture of awareness and activism among members and the school community. Activity examples include Santa's breakfast, school-based projects and events, community fundraising.	Mr. Pablico	Room 205
Grad Committee	Promote school spirit among grads through grad events and teambuilding.	Ms. Gill	Room 129

Journalism Club	The Journalism Club is in charge of writing up the daily announcements, presenting the daily PA announcements, and ensuring that the daily announcements are sent to the office staff for publication on the school website. The club also publishes a school highlight a few times per year.	Ms. Cheng Ms. Epp	Room 108
Junior Band Club	For Grade 8 and 9 students across the semester to play music together and form community. We also welcome students who couldn't get a Band block to participate so they have an outlet.	Ms. Chan	Room 139
Junior Science Club	To teach Grade 8-10 students Chemistry and Physics, occasionally doing simple experiments.	Ms. Parmar	Room 108
Library Monitors	The Library Monitors are a dedicated team of students who help with organizing books, create display artwork and assist with other Library tasks.	Ms. An	Library
Living Beyond the Horizon	It is a mental health awareness club where we have planned conference days in the past, posted self-care tips on Instagram and more. We love to have check-ins with students asking questions on the chalkboard. We also post a lot and have events planned during Mental Health Awareness week.	Ms. O'Leary	Room 135
Manga and Art Basics Club	This club is dedicated to helping students learn the basics and more advanced technique of art and drawing, with a particular focus on manga and animation styles. It also is to create a supportive space for both beginner and experienced artists to improve their skills, and share their love at anime and manga.	Mr. Rikukawa	Room 203 (Tuesday) The Hall (Thursday)
Math Club	A community for all math enjoyers to deepen their understanding about the subject and prepare for math contests.	Mr. Kwan (OG) Ms. Wang	Room 109/206
MUN (Model UN) Club	MUN Club (Model United Nations) provides students with opportunities to engage in debate, diplomacy, and problem solving while addressing pressing global issues. Members strengthen their public speaking and leadership skills through conferences and collaborative activities.	Mr. Pablico	Room 205
Multicultural Club	Multicultural Club's goals are to promote diversity and inclusion and to help foster a vibrant multicultural school community in Palmer. The Club will do this through conducting cultural events & workshops, presentations, making food, and community outreach. It will also be a platform for students to hone their leadership capabilities, express themselves, discover more about their identity, and understand the world around them.	Ms. Zhao, Ms. Liang, Mr. Amega	Room 122/119
Muslim Students Association	MSA is a school club that brings muslim students and anyone interested in learning about Islam. Its purpose is to create a safe and welcoming space where students can support each other, share their culture and religion and plan activities like a fast-a-thon Ramadan iftar nights, charity events and cultural awareness days. The club helps students stay connected to their faith while at school and teaches others about muslim traditions to promote understanding and respect.	Ms. Irshad Ms. Naeem	Room 129
Nutrikin	We are a nutrition and kinesiology focused club that raises awareness to food insecurity issues in our school community and the society we live in. We host lunchbox events to provide food to students without lunches every other week and create lesson plans for elementary students to learn about what we do.	Ms. A. Chen Ms. Carre	Room 134
Peer Tutoring	To provide peer tutoring to students who need it. All tutors participate in a 4 part training series to be qualified as a tutor.	Ms. Epp	Room 121
