Preplanning and timely payment are essential so we can confirm venues, vendors, and other arrangements. To access the grad fees and for payment, please visit: <https://schoolcashionline.com/>

### **Grad Photos with Artona**

**We strongly encourage all Grade 12 students to book their Grad Photo session with Artona as soon as possible. The Artona team will be at Palmer from Feb 15 to Feb 21, 2026. It is important that all grade 12s confirm their appointment with Artona before Dec 19, 2025: <https://artona.com/bookings>**

These photos are included in the **Grad Composite for the Class of 2026**. Students will also be measured for their Valedictory gowns during the photo session.

Booking early ensures your student is part of this important tradition.

Thank you for your cooperation and support in making these celebrations memorable for our graduates of 2026.

### **Palmer Grad Events - Student Conduct**

In accordance with SD38's District Code of Conduct — which applies to all school-sponsored events regardless of location — all participants are expected to conduct themselves respectfully, safely, and ethically. This includes treating others and property with care, refraining from any form of harassment or discrimination based on race, religion, gender identity, or other protected grounds, and avoiding the possession or use of weapons, alcohol, illegal substances, tobacco, or vaping products. We also remind parents and guardians that arranging transportation to and from graduation events is their responsibility. Please note that the school has arranged for transportation for the Grad Dinner Dance- more details to be shared in the new year. Please ensure your child has reliable and safe transport; if coordinating with other families, confirm everyone shares the same expectations for conduct and punctuality. Your support in reinforcing respectful behaviour—and adherence to all event, venue, and district expectations—helps us create a memorable and positive experience for all.
