- Enter all your required courses and first-choice electives
- Enter alternates and list priority
- Counsellors will check your course selections for accuracy
- If you are unable to log into the student myEducation website due to a forgotten password, please request a reset at palmer@sd38.bc.ca
- DO NOT enter information under Counsellor Notes

Continuing Education

- Offers **FULL CREDIT** (full curriculum) or PREVIEW courses
- Registration is typically in **May- timeline will be posted on the Palmer website when available**
- Students can register at ce.sd38.bc.ca or in person at the school district office

Richmond Virtual School

- Offers **FULL CREDIT** (full curriculum)
- Courses are delivered online with two in-person meetings weekly
- Register at rvs.sd38.bc.ca

Note that course content must be condensed to accommodate the short amount of contact time over five weeks. Working through material quickly does not serve all learners, especially if you wish to pursue further study in the subject.

ONLINE/DISTANCE LEARNING COURSE POLICIES

- Online/DL courses are not included in our awards or scholarship calculations. Nor are they included as part of a student's course load for Palmer scholarship eligibility.
- Similarly, Online/DL courses do not count when determining "full-time" or "partial program" status at Palmer. Only 'full-time' students are eligible to participate in our scholarship program and request school-based reference letters. Full-time students also get priority over part-time students for extracurriculars like leadership, sports and clubs. (full time Grades 8-9-10-11 students must enrol in 8 classes at Palmer. Full time Grade 12s must take at least 6 courses at Palmer).
- Online/DL course marks may or may not be noted on the Palmer report card. As these are not Palmer classes, our school does not supervise nor monitor the progress of students. Due to the independent and self-paced nature of these courses, students themselves need to ensure they complete a course when expected and that the course appears on the student's transcript (TVR). Questions about courses not showing up on a transcript must be made directly with the online/DL provider.
- **Please contact your Palmer counsellor before you enrol in an DL/Online course to ensure you and your family fully understand your options.**

TIMETABLING PROCESS

- Counsellors review course selections to make sure students have made appropriate course selections
- Course request numbers are generated (how many students chose each class)
- Administration make decisions about which classes will run (considering required vs. elective, staff availability, projected new students)
- Administration make a timetable with the least amount of conflicts possible (eg: Sc 9 INC and Eng 9 INC will not be placed in the same block)
- Counsellors look for students with an incomplete schedule and select alternates (counsellors only contact students if a significant change is being made)
- Counsellors update requests in May/June (eg: failures, repeating ELL, not registered in planned summer course)
- Preliminary schedules are distributed in June (changes may still be required)

PROGRAM PLANNING DEADLINE

- Complete your myEd entry AND submit your completed and signed program planning sheet by **FEBRUARY 12TH**
