**Supporting Literacy at Home - Practising Note-Making Skills**

When your child is learning something new—whether from a video, article, or even instructions—encourage them to jot down a few key points. Notes can be simple: a short list, a quick sketch, or two columns. This helps with memory and understanding.

**Personal Learning Time (PLT) - Have you booked your Sessions?**

A reminder to all students that you need to sign up for a session on Wednesday and Thursday PLT! Some sessions may be full and therefore you will need to plan ahead and choose alternate session! Please make sure that you have checked what sessions you have signed up for as well as that the sessions are on the CORRECT DAYS!!!

Palmer Theatre proudly presents The Ash Girl by Timberlake Wertenbaker.

The classic story of Cinderella is retold as a darker adaptation that sees Ash Girl deal with not only her wicked step-sisters and step-mother, but with The 7 Deadly Sins. As she navigates a world full of complicated people dealing with things like greed and anger, she herself must face her own challenge: sadness. Decidedly not a sin but something else entirely, Ash Girl is faced with the option of giving in or finding her light and courage. Aided by friends like Otter and Owl, a few mice and The Fairy in the Mirror, Ash Girl must learn the greatest lesson of all: loving oneself.

This story is proudly presented by 50+ acting and production students. They have been working for months to welcome you into this fairytale world. Actors and crew have spent 3 months transforming themselves into beloved and recognizable fairytale characters, as well as turning the theatre into a ballroom, home, and forest. With a new lighting board, fog machines, and set pieces, you can expect an excellent experience! Thanks again for everyone’s support!
