### Welcome back

We hope that everyone had a relaxing Spring Break and that you are well rested and rejuvenated for the final 13 weeks of classes.

### Supporting Literacy at Home

As we settle back in after Spring Break, a great way to support your child is to rebuild simple reading habits at home. Try reading something short together this week—a news article, a recipe, or even instructions for a game—and ask your child to tell you one thing they learned or noticed. Small routines like this help re-establish focus and prepare students for the busy months ahead.

### Personal Learning Time (PLT) - Have you booked your Sessions?

A reminder to all students that you need to sign up for a session on Wednesday and Thursday PLT! Some sessions may be full and therefore you will need to plan ahead and choose alternate session! Please make sure that you have checked what sessions you have signed up for as well as that the sessions are on the CORRECT DAYS!!

### Planning Ahead for PLT Sessions - All Students:

We are encouraging Palmer students to sign up for the upcoming PLT sessions at home during the weekend, as it allows an opportunity for Palmer students to plan out their week and their learning. To sign up for PLT sessions for the coming weeks, please visit:
