Service Certificate Criteria

Definition of Service: An act of helpful activity that goes beyond yourself and your club to contribute to the Palmer Community or in association with the Palmer Community.

It is the student's responsibility to confirm with sponsor teachers if their activity constitutes service hours prior to beginning said activity. Approval is up to teacher's discretion.

- A service certificate is available to any student who has 30 or more hours of service to the school and school community. Students may provide evidence of service to the school that is signed off by a staff member at Palmer secondary in order to be recognised by a certificate. In order to be eligible this must be received no later than May 22, 2026
- This work cannot be paid work, cannot be for fundraising for a trip or club, regular meetings and cannot be for course credit. Hours can be collected before school starts, at break, at lunch, after school, or on weekends.

Note: Any school-related volunteering outside of school hours is eligible.
