

EXTRACURRICULAR CLUBS 2026-2027

Club/Activity	Description	Sponsor(s)	Room	Meeting days/time
Adopt Our Community at Palmer (AOCAP)	Goal is to connect communities by raising awareness of current events. AOC achieves this through diverse volunteering; youth are given the opportunity to make a genuine impact through an established organization. Members will receive mentoring from speakers and leaders, connect and speak with community figures and learn to better understand the world’s issues as they work to fix them.	Ms. Vining Ms. Benjamin	134, 123	Tuesdays at lunch Occasionally after school to 4:15pm
Anime and Japanese Culture Club	Our goal is to create a friendly, engaging, and positive environment for Anime / Japanese culture fans within the Palmer community to meet with each other, build friendships, and share their interests. We hold a variety of events regularly, events include anime sharing, cool facts sharing on Japanese culture, and making Japanese-style food. For more information, follow our Instagram account “@rcp.anime.club”.	Mr. Rikukawa	203	Wednesdays at lunch
Asian Culture Club	The purpose of the Asian Culture Club is to spread the diversity of different cultures in Asia. Throughout the year, we plan on leading events which surround Asian cuisines therefore students are exposed to and learn about the variety of traditions. By doing so, we can lighten up the community and bring one another together.	Ms. Vining	119	Mondays at lunch
BC Youth Council	BC Youth Council is a youth-led organization dedicated to bringing youth closer to the provincial politics of British Columbia and their local communities through structured engagement, policy analysis, and democratic participation. BCYC has multiple high school chapters.	Ms. Gupta	113	Tuesdays at lunch
Breakfast Club	Breakfast Club operates daily to provide free breakfast to any student who wants it.	Ms. Epp	Palmer Central	Everyday, 8-8:25, Palmer Central
Canto Club	We aim to spread awareness, understanding, and appreciation of Cantonese culture. We strive to create a sense of community for Cantonese and non-Cantonese speakers while allowing exchange between cultures. We will be hosting weekly mahjong sessions. During major cultural festivals we offer calligraphy sessions and Cantonese movie sessions.	Ms. Benjamin	134	Wednesdays at lunch
Case Competition Club	This club teaches students about case competitions and build business experience through workshops, guest speakers, and mini competitions. The club also helps members with signing up and preparing for actual case competitions.	Ms. Luccock	201	Mondays at lunch
Chess Club	R.C. Palmer’s Chess Club is a welcoming community where chess enthusiasts of all levels can learn, play, and mingle. As a club that has thrived for many years, we aim to create a space where students can practice and perfect their chess skills in a variety of engaging activities, including lessons, free play, tournaments and more.	Mr. Amega	122	Tuesdays after school
Choir Club	Palmer Choir Club is a performing choral group that sings at community events in Richmond. It's a community for singers to meet, build friendships, foster community, through singing their parts. New members are welcomed. Having a singing background is preferred but not necessary.	Ms. Chan	138	Tues/Wed lunch and after-school (TBD)
Christian Club	Connecting Christian students and anyone who wants to learn more about Christianity. Students from all	Mr. Shim	106	Wed lunch

	cultural and religious backgrounds are welcome to join is as we discuss Christianity and related topics in a safe and inclusive space :)			
Club Français	Club Français is open to anyone – whether they’re fluent, willing to improve on their French skills, or simply curious about Francophone culture, this club is the place to explore. Our meetings are every Friday lunch, packed with exciting games, topics, events and more.	Mr. Amega	122	Thursday or Friday Lunch (TBD)
Computer Club	Welcome to the Palmer Computer Club! You are all welcomed here no matter your skill level. You are all welcome here no matter your skill level. We tend to create a supportive community and learning environment for everyone. All students are very welcome to our community section where you can bring your friends and discuss any study related topic or do your work together. For those interested in taking the AP Computer Science A test, we provide full support and will prepare you for the test. We will provide not only lesson but also practice exam for you.	Mr. Rikukawa Ms. J. Chen	136 203	Thursday after school
Craft 4 Cause	Creating crafts that benefit local charities, organizations, and those in need. Giving back to the community while expressing creativity.	Ms. Vining	123	Thursdays at lunch
Dance Squad	A welcoming community for all students to learn, grow and connect through dance, with a strong emphasis on street dance styles. The dance squad provides a supportive environment that also challenges students to push themselves, build confidence and strive for growth. The team will showcase their talent at school events and local dance competitions, including Palmer’s own Footloose Hip Hop Dance Competition.	Mr. Paldo	Lounge (practices) 120 (meetings)	Mondays & Thursdays 3:00 - 5:00pm
Debate Club	Debate Club focuses on practicing debate skills, such as rebuttal, constructive arguments, public speaking, and more. We would have debate games and mini club debates with proposition and opposition sides on casual topics (no political topics will be debated on). We will also prepare for debate competitions.	Mr. MK Kwan	117	Tuesday lunch
Drama Club	Drama Club focuses on developing skills such as expression, improvisation, and confidence through fun games and activities. We prepare scrips and rehearse for the Remembrance Day assembly, breakfast with Santa, spotlight on Palmer. In addition, we host our annual Variety Night show at the end of the year.	Ms. Komad	137 (Drama Room)	Wed - lunch Drama studio
EcoTeam	EcoTeam aims to promote environmental sustainability through providing volunteer opportunities in the community, educational school events, and club activities. Some of the events and activities include bottle drives, newspaper present wrapping, park cleanups and more.	Ms. MacDonald	133	Thursday Lunch – Art Room
Engineering Club	The purpose of our club is to educate and introduce engineering to high school students. We plan to inspire through fun activities, organizing guest speaker sessions, going over useful application tips, and creating a mentorship program. This program will pair interested students with experienced Engineers, providing more opportunities to explore engineering fields (mechanical, civil, electrical, etc.) to spark interest in future careers in Engineering.	Mr. Kwan	206	Tuesday - Lunch
First Responders Club (First Responders Team)	Promotes and teaches basic skills required to become certified. (Not a club: students on-call who respond to student emergencies)	Mr. Liang	107	Thursdays at lunch

Garden Club	To beautify the grounds of the school, grow healthy food and support development of hobbies to support our health.	Ms. Epp	121	Fridays after school (in good weather)
Global Network Club	Organize impactful events, fostering a culture of awareness and activism among members and the school community. Activity examples include Santa’s breakfast, school-based projects and events, community fundraising.	Mr. Pablico	205	Monday Lunch
Grad Committee	Promote school spirit among grads through grad events and teambuilding.	Ms. Gill	129	Tuesdays at lunch
Helping Hands Club	To promote service to our school community through a variety of different tasks, such as spotlight on Palmer or other school events.	Ms. O’Leary	135	As needed
History Club	This club aims to teach each other history that school and media may not cover and encourage students to view history with an objective viewpoint and without bias. The club will also attempt to identify misinformation in the news and with AI. The club may connect with the Steveston Historical Museum for volunteer hours.	Mr. Pablico	205	Wednesdays at lunch
Journalism Club	The Journalism Club is in charge of writing up the daily announcements, presenting the daily PA announcements, and ensuring that the daily announcements are sent to the office staff for publication on the school website. The club also publishes a school highlight a few times per year.	Ms. Cheng Ms. Epp	108	Every other Wednesday at lunch
Jazz Club	For Grade 8 to 12 students who want to play jazz music or jazz standards across the semester. Students will learn and perform music together and as well as form a community.	Mr. Krakhmal	139	Wednesday 3:00-4:15pm
Library Monitors	The Library Monitors are a dedicated team of students who help with organizing books, create display artwork and assist with other Library tasks.	Ms. An	Library	Monday to Friday Lunch
Living Beyond the Horizon	It is a mental health awareness club where we have planned conference days in the past, posted self-care tips on Instagram and more. We love to have check-ins with students asking questions on the chalkboard. We also post a lot and have events planned during Mental Health Awareness week.	Ms. O’Leary	135	
Mahjong Club	Club members teach each other how to play Mahjong.	Mr. Kwan	206	Every other Tuesday from 3:00pm - 4:00pm
Manga and Art Basics Club	This club is dedicated to helping students learn the basics and more advanced technique of art and drawing, with a particular focus on manga and animation styles. It also is to create a supportive space for both beginner and experienced artists to improve their skills and share their love at anime and manga.	Mr. Rikukawa	203	(Tuesday) The Hall (Thursday)
Math Club	A community for all math enjoyers to deepen their understanding about the subject and prepare for math contests.	Mr. Kwan Ms. Wang	109 206	Monday, Thursday (3:00-4:30)
Med Club	Med Club's focus is on the broad world of medicine and its innovations and future prospects. Our goal is to prepare and educate students interested in healthcare on the many medical fields, possible career paths and volunteering opportunities. We hope this helps prepare pre-med students considering the overwhelming options, prerequisites and academics required for post secondary education.	Ms. Parmar	108	Biweekly Friday Lunch – 12:50-1:35
Movie Club	Movie club will be comprised of members who will vote on films or TV shows to watch and then discuss (rating, favourite scenes, key takeaways etc.)	Ms. J Chen	136	Fridays at lunch
Multicultural Club	Multicultural Club’s goals are to promote diversity and inclusion and to help foster a vibrant multicultural school community in Palmer. The Club will do this through conducting	Ms. Zhao, Mr. Paldo Mr. Amega	120	Thursdays at lunch

	cultural events & workshops, presentations, making food, and community outreach. It will also be a platform for students to hone their leadership capabilities, express themselves, discover more about their identity, and understand the world around them.			
Muslim Students Association	MSA is a school club that brings Muslim students, and anyone interested in learning about Islam. Its purpose is to create a safe and welcoming space where students can support each other, share their culture and religion and plan activities like a fast-a-thon Ramadan iftar nights, charity events and cultural awareness days. The club helps students stay connected to their faith while at school and teaches others about Muslim traditions to promote understanding and respect.	Ms. Irshad Ms. Naeem	129	weekly
Nutrikin	We are a nutrition and kinesiology focused club that raises awareness to food insecurity issues in our school community and the society we live in. We host lunchbox events to provide food to students without lunches every other week and create lesson plans for elementary students to learn about what we do.	Ms. Vining	134	
Peer Tutoring	To provide peer tutoring to students who need it. All tutors participate in a 4-part training series to be qualified as a tutor.	Ms. Epp	121	As needed
Photography Club	Serves as a space where the Palmer community can come and learn more about the different aspects of photography. This club is also a safe space for everyone to share their photos without judgement and receive constructive feedback.	Mr. Lee	112	Wednesdays at lunch
Programming Club	This club serves to provide a supportive community for beginners and the experienced alike. Founding members will curate lesson plans aimed towards both parties, covering topics such as “An Intro to Python,” and exploring topics such as ML, Data Science, and Game Development. Projects are included.	Ms. Cheng	118	
Rainbow Club	The Rainbow Club is a place for LGBT2SIA+ students and allies to get together on a weekly basis in a safe space.	Ms. Epp	104	
RCP Med Club	The purpose of the RCP Med Club is to provide Palmer students interested in the medical/health field with resources to gain experience and deepen their exposure to these careers. We can achieve this by: - inviting healthcare guest speakers (to talk of their experience) - giving presentations on health career/ opportunities/ post-secondary paths/ new topics in health - collective volunteering at senior homes hospital - First aid kit donations	Ms. Parmar	108	Biweekly Friday Lunch – 12:50-1:35
Robotics Club	Robotics Club is a community for all things robotics (VEX, programming, etc.) In-Club events, robotics competitions. Learn good engineering habits (engineering notebook...) and robotics techniques.	Ms. Irshad	111	Wed after school
Soul-Made	Our goal is to encourage students to build their creativity through working with various materials and crafts, that will be made, will be vended at our markets with all profits going towards the BC Children’s Hospital.	Ms. Morit	128	Thursdays (bi-weekly)
Student Voice Club	To amplify student voice within Palmer through forum style discussions, surveys and lunch-n-learns. In addition, we host elementary/ high school transition sessions.	Ms. Lacoumentas Mr. Morley	Library	
Trivia Club	Train and compete against other schools.	Ms. Gill	Lounge	Tuesday 3:00

Table Tennis Club	To provide a fun and welcoming space for students to play table tennis.	Ms. MacDonald	South lounge/art room (131)	Tuesday
UBC Physics Olympics	Provides students with opportunities to explore physics beyond the classroom. Members participate in competition in UBC Physics Olympics. The club aims to foster curiosity in physics, strengthen problem-solving and teamwork skill. Encouraging students to engage with science and practical contexts.	Mr. Cumming Ms. Gupta	113	Wednesdays at Lunch
