Daily Health Check

Before coming to school, parents and students need to perform the **Mandatory Daily Health Declaration** (please see our [website](#)) and if your child answers "YES" to any of the questions, this will prevent him/her from entering the school effective immediately. We cannot stress how important this is, especially as flu season is near!

Palmer PLT - Student On Line Booking System

PLT is a period of **instructional** time each week set aside as "self-directed" time for students to learn with teacher support. Students are strongly encouraged to book times to connect with their semester 1 teachers from 8:30am to 10:10am on Tuesdays and Wednesdays. Students are given choice and ownership over their learning. **There is now an ON-LINE system for students to sign up for the teacher(s) they wish to work with.** This is a student-only system – we encourage parents to have conversations with their student(s) about how they are using their Personal Learning Time. Please visit our [website](#) for instructions. If there are any questions or any technical issues, please see Mr. Partridge in the office.
